IMPORTANT ADVISORY TO THE MIPSS COMMUNITY

In the light of the implementation of the Enhanced Community Quarantine in the entire National Capital Region (NCR) and the rest of Luzon and as a precautionary measure against the spread of COVID-19, the Management Committee (MANCOM) of Mary Immaculate Parish Special School wishes to announce the following for the information and guidance of its faculty, staff, parents, and students:

SCHEDULE OF ACTIVITIES

1. Classes in all levels (Prep-Senior High School) shall remain suspended until April 14, 2020.
2. The school’s year-end activities such as Recognition, Moving up and Graduation Ceremony are put on hold. A special bulletin related to these activities shall be given when the current situation improves. All other school programs and events are cancelled.
3. CAT Graduation is cancelled; however, awardees will still be recognized as their medals will be given to them upon claiming their CAT certificate.
4. In the event that the present condition does not get better, all remaining major activities of the school will be cancelled.
5. The distribution of awards, certificates, medals, and diplomas to all awardees and students (Prep-SHS) will be done during distribution of cards (date of which will be announced) from 10:00 AM-12:00NN at the school quadrangle.
6. All sports trainings/practices and other school-related activities are cancelled.

COMPLETION OF ACADEMIC REQUIREMENTS

1. All students (Prep-JHS) who were able to take the 4th Periodical Test will have their grades computed accordingly.
2. SHS students who were not able to take the final exam due to class suspensions were given their test online. The grade transmutation table recommended by DepEd in its memo no. 42, s. 2020 dated March 15, 2020 was also utilized by the teachers in marking their students’ final exam. The same procedure was done to those students in the lower grades.
3. Grades of students who failed to submit/complete or carry out their major performance tasks (PETA) due to the cancellation of classes have been taken from the two other components: recitation and mini tasks with the teacher using his/her best judgment in distributing their corresponding weight. Another option used by the teacher was getting the average of the mini tasks accomplished by the students.
4. Students whose final grade ranges from 73.50 to 74.25 are required to take Remedial classes for 1 week.
5. Students may retrieve their books and other personal belongings when suspension of classes is lifted/over.

NOTICE OF STOPPAGE OF SCHOOL OPERATION
Effective last March 16, 2020, the school has been closed until the enhanced Community Quarantine is lifted.

Let us continue praying that God keep us in the palm of His loving hands.
